ISTANBUL

WHERE IS ISTANBUL?

2 CONTINENT, 1 CITY: ISTANBUL

- Istanbul was the capital of Roman, Byzantine and Ottoman Empires
- Bosphorus is a straight that divides the city into 2: as Asia & Europe continents
 - The historical peninsula:
Blue Mosque, Hagia Sophia, Topkapi Palace, Grand Bazaar
 - Striking Multireligious Identity
 - Arts, Culture and Entertainment

Swissôtel

It was once a Turkish sultan's international
 island possession lying in the middle of the
 sea. Today it is a small island in the Bosphorus
 strait, the site of the Maiden's Tower. The
 tower is a symbol of Istanbul and is one of
 the most famous landmarks of the city. It
 was built in the 14th century and is said to
 be the site of the execution of the young
 princess. The tower is a symbol of Istanbul
